St. Nicholas Catholic Church

Dear brothers and sisters, Mahatma Gandhi said,"Prayer has saved my life. Without it I would have been a lunatic long ago." As we have often reflected here at St. Nicholas, 'there is no right or wrong way to pray-simply pray.' God will be pleased, we will be helped if we pray in a formal or informal way. When we say informal it includes praying while driving, while the at the gym, while gardening, etc. However, always remember formal prayers like the Mass, spending time with Jesus in the Blessed Sacrament, praying the Rosary, reading from the Bible, etc. should also be an integral part of one's prayer life.

At St. Nicholas we are blessed with an active prayer chain team. If you or someone you know is in need of prayer, please call Darlene at 952-448-4464.

Happy Thanksgiving! This Thursday, our nation celebrates Thanksgiving Day. This national feast day began with the uniquely American experience of the first settlers receiving great help from the Native American peoples in their first year in the new world.

The early colonists literally faced a life or death situation. Winters were harsh, the weather unpredictable, and they had to adjust to raising new crops in unfamiliar conditions. Most early colonies completely failed, leaving behind only the graves of the brave souls who tried and the total destruction of their colonies. The hope for a new life, which inspired them to sail across the ocean, turned out to be only a dream that was crushed by the harsh reality of what they faced.

One colony that did survive the desperate conditions did so with the help of the Native American people. After the first year, the colonists couldn't help but feel a deep sense of gratitude to God and to their Native American friends. They collaboratively chose to celebrate the successful harvest with a feast. The tradition of Thanksgiving Day was begun.

In our modern era, we have so much, yet it can be difficult to feel a deep sense of gratitude because we take so much for granted. It may not be life or death as it was for the early colonists, but, for those of us who have had a big crisis or some other tragedy, it may be easier to summon up deep gratitude. It is so often our losses that help us to be able to appreciate what we have. The tragic fires in California in the past few weeks have taken scores of lives and thousands of homes, yet it has been impressive to see the survivors now express great gratitude for what little they have.

Whether we have lost greatly or not, each of us is incredibly blessed to be alive, to share the gift of faith, our great nation, and all that God has given to us. Please come and join us on Thanksgiving Day morning at 9 AM at Guardian Angels as we offer Mass and thank God for his gifts to us. Please bring something for the Food Shelf to offer for our neighbors in need. The parish office will be closed on Friday, November 23 and there will be no 6 PM Mass this Friday. I will offer Mass at 9 AM at Auburn Manor on Friday, November 23. May God make our hearts grateful to Him and to one another for all of our blessings.

Happy Thanksgiving!

Christmas Food Pack! St. Nicholas will again be one of three sites for the Christmas Food Pack event. We need volunteers to assemble and distribute Christmas food packages on Saturday, December 15th. This is a family-friendly event and is a great opportunity to share the joy of Christmas with families who may not otherwise enjoy the holiday season. In addition to volunteering, please consider making a financial gift to Love INC in support of the Christmas Food Packs. This year, Love INC will distribute 100 Christmas food baskets at a cost of more than \$5,000 total. Each basket costs roughly \$50 but provides relief and hope that goes far beyond its monetary value. See the Love INC website to donate or register to volunteer at
